Christmas Parade Rules

Safety is our biggest concern due to the large number of children that will be present. Please help us minimize the chance of accidents by keeping their safety as your top priority throughout the event.

Parking of any non-parade vehicle will not be allowed on any roadway or access drive while floats are being staged for the parade. Unattended vehicles will be towed.

All parade vehicles must complete the full parade route. Follow East Main Street to the end where East Main Street meets Hwy 19 E. This will be at the Subway light. Do not cut through any of the area including the Shell Station. Follow the parade route. On Hwy 19 E stay in the right lane until you reach the starting area. Parade walkers can arrange to be picked up at the end of East Main Street. _____ will be reserved for horses.

If you begin the parade on a float or in a vehicle, you must remain on the float or in the vehicle until the end of the parade, no exceptions. Anyone walking with a float or vehicle must stay with their float or vehicle, keeping with the flow of the parade, no exceptions.

You may distribute candy. It must be thrown from the side of vehicles toward the sidewalk area, not at individuals or other vehicles in the parade.

Each parade vehicle/float must designate a responsible party to remain with the vehicle/float at all times. This will be the only contact person. No drivers under the age of 18.

Rules for Drivers

- Watch for children and yield to pedestrians
- Minimize the gap between you and the entry in front of you, but don't crowd them.
- Keep the parade moving.
