FROM OUR MEMBERS

The UPS Store #7855

MEMBER SINCE 2023

I am so happy to be a member. The staff is incredible. They work hard to get my message out to their members via social media and their weekly newsletter. Always checking in with me to see if I need anything. They remembered my 1 year anniversary and did a post about my business sharing it with the entire community. I love all of networking opportunities that are available to meet other chamber members. I highly recommend that you utilize the service of this chamber to grow and communicate with others in the community. I am never disappointed.

Kona Ice of McDowell & Yancey Co.

MEMBER SINCE 2024

The Yancey County Chamber was my first time joining a chamber. The welcome, encouragement and support I felt from the very start was amazing! They continue to be a great resource and offer useful information to help my business to succeed.

MEMBER SINCE 2022

Little did I realize how much the YCCC helps and supports our local artists. I was told by a friend and fellow chamber member a while ago that I wasn't utilizing the Chamber to my best advantage without realizing what she really meant, now I know. Samantha at the chamber not only designed my rack cards but put them in a file and sent them off to the printers. I couldn't have asked for better, faster, friendlier and professional service.
